

If you missed BOLT VBS, it is not too late! With minimal preparation, easy-to-follow instructions, and a video that leads you and your kids step-by-step through each of the 3 days, BOLT is designed for you to perform with your family at home. It's so simple!

Go to the [BOLT "Family Portal."](#) In order to access the portal, you'll need to enter the following password: LETSBOLT (all caps).

The "Family Portal" has all of the videos and documents you'll need for each day. Be sure to read the games document ahead of time so you can be prepared. Then, when you're ready to begin, simply go to the "Family Portal" and play the Day 1 video. The video will periodically tell you to pause in order to play a game, read from the Bible, or answer a question.

You will be able to complete the activities at your own pace anytime each day. You will watch a section of the video, then pause it for a game or a craft and then go back for the next set of directions.
